

Al Hassan Electricals Company launches Light Application Centre in Shatti al Qurm

Al Hassan Electricals Company's (AHE) lighting division recently, inaugurated its new Light Application Centre (LAC) at Shatti al Qurm, Muscat. AHE's Lighting Division is also known for providing lighting solutions and is considered as one of the market leaders in the sultanate. It represents global lighting brands like Zumtobel, Artemide, WEEF, Endo, Delta Light, Roblon, Lutron,

Rovasi, Regiolum, Vimar, Rovasi and many more.

Upon visiting LAC, one can experience many lighting applications for various sectors such as Hospitality, Retail, Leisure, Industrial & etc. The Centre offers to customers multiple options & choices to compare with various lighting solutions / designs and technologies. It also offers a wide comparison between LED and

Conventional Lighting.

The chairman of Al Hassan Group of Companies, said, "At Al Hassan, we always strive to create more value for our customers, and LAC has been designed with this objective. LAC is a niche offering that clearly demarcates and addresses the specific needs of a consumer and helps us provide more value based solutions. The center is

equipped with state of the art technology and is managed by a professional team that guides the customer through a wide spectrum of lighting fixtures. We are certain that it will strike a chord with our customers." LAC is open to the public from 10am to 10pm daily. Address: Villa No. 2264, Way No. 2830, Al Sarooj Street, Shatti al Qurm, opposite Bareeq al Shatti.
