

# Al Hassan Electricals wins Hager ME award

Al Hassan Electricals Co (AHE), the flagship company of the Al Hassan Group received the prestigious Business Excellence Award from Hager Middle East FZE in recognition of its outstanding performance during the year 2012.

The ceremony held recently was attended by Hassan Ali Salman, chairman and Maqbool Ali Salman, managing director, Ali Maqbool, director of the Al Hassan Group in the presence of senior officials from AHE and Hager Middle East.

This is the fifth year in a row that AHE has bagged this coveted recognition.

Based out of Europe, Hager is one of the leading international manufacturers of a complete range of systems, solutions and

services for energy distribution systems with presence in over 55 countries. AHE are the sole distributors for 'Hager' products in Oman.

Commenting on the momentous occasion, Salman, said, "It is a matter of pride for us to be recognised for our services and commitment by a leading international manufacturer like Hager. This award stands testimony to AHE's thorough technical competence coupled with skilled and dedicated team that fully understands the market to cater to a wide spectrum of business requirements

On the occasion, Frederic Tambe, sales manager - ME of Hager Middle East FZE also presented awards to the top ten performers in AHE Team.
